

A one-person army with a 30-year bench.

Thirty years of directing, editing, graphics, sound and delivery, run through AI pipelines. Fixed prices, fixed dates, and a senior producer checking every cut before it ships.

WHAT WE DO • DRAFT PRICING

Overflow cutdowns

Rough cuts, cutdowns, versioning and captions, delivered under your name.

from \$150 each

24–72 hrs

Social pack

\$3,000 / \$6,000 / \$12,000

per month

HOW A JOB RUNS

1 Brief

Send what you have. Quote and timeline within 48 hours.

2 Build

Pipelines do the volume while a senior producer directs.

3 Deliver

Two revision rounds, exported to your spec on the promised date.

EVERY JOB INCLUDES

- Senior producer review on every deliverable
- Loudness, safe areas, spelling and spec checks
- Two revision rounds with timestamped notes
- AI use disclosed; rights log with delivery
- Written release for any voice or likeness
- Delivered in your NLE or platform format
